

Fire Safe Development Workgroup February 23, 2017

2017-2019 Priority Goals:

1. Review public comment, reports from the field, related codes, and current development and fire conditions (Spring/Summer 2017)
2. Utilizing the above, revise existing Title 14 1270 regulations as necessary (Fall 2017-Spring 2018)
3. Develop guidebook with same practical effect examples, explanatory descriptions, and explaining the intent of each regulation (Fall 2017-Spring 2018)
4. Draft Initial Statement of Reasons, particularly Necessity statements, for revised regulations and guidebook (Spring 2018)
5. As needed, research and draft economic/fiscal impact statements for ISOR (Spring 2018)
6. Develop training for implementation by field users in CAL FIRE Units and contract counties (Winter 2018-Spring 2019)
