Dear Chairs Horney and Osterholm:

Thank you for your letter, on behalf of the Range Management Advisory Committee, regarding Humboldt State University's Rangeland Resources Science program. I know that the Dean of the College of Natural Resources and Sciences, along with the Provost and Vice President for Academic Affairs, are carefully considering the data and assessment of this program in light of the University's strategic plan, academic plan, and fiscal resources.

I appreciate your support and advocacy for range management.

With best wishes,

Lisa A. Rossbacher, Ph.D.
President
