Subject: Comments: Revised Draft PEIR Regarding the Proposed Statewide Vegetation Treatment Program

To Whom It May Concern,

Thank you for contacting the San Manuel Band of Mission Indians (SMBMI) regarding the above referenced PEIR. SMBMI appreciates the opportunity to review the project documentation, which was received by our Cultural Resources Management Department on 14 November 2017, pursuant to CEQA. The proposed PEIR area overlaps with Serrano ancestral territory and, therefore, is of interest to the Tribe. However, SMBMI has no concerns with the proposed revisions to the Draft and, as such, has no comments to provide at this time.

Regards,

Jessica Mauck
