CAL FIRE's Anadromous Salmonid Protection Rule Section V Technical Advisory Committee (VTAC) requests your assistance with helping us implement the Anadromous Salmonid Protection Rule 916.9 Section V Pilot Projects. Please take a few minutes and complete the online survey found at the following website: <http://calfirevtac.weebly.com/>

A brief introductory video (optional), as well as background information, is provided on this website.

We would greatly appreciate your survey response at your earliest convenience.

Thank you very much for taking the time to help us implement the Anadromous Salmonid Protection Rule 916.9 Section V Pilot Projects.
