Amend sections: 1038
Repeal sections:

**NOTICE OF APPROVAL OF EMERGENCY
REGULATORY ACTION**

**Government Code Sections 11346.1 and
11349.6**

OAL Matter Number: 2016-0328-02

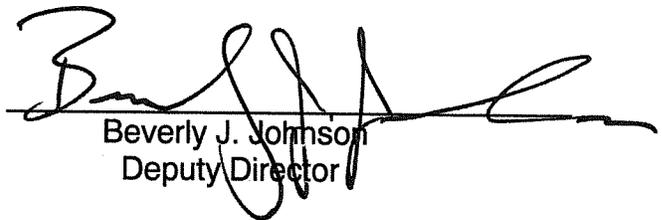

OAL Matter Type: Emergency Readopt (EE)

The Board of Forestry and Fire Protection (BOFFP) submitted this second emergency readopt action to maintain the regulations adopted in OAL File No. 2015-0701-02E and re-adopted in 2015-1221-01EE. The emergency rulemaking action amended sections 1038 and 1052.1 in title 14 of the California Code of Regulations, to add drought as a condition that constitutes an emergency, as well as regulations applicable to the harvesting of dead and dying trees in response to drought related stress. This action only readopts the amendments made to section 1038, relating to the harvesting of dead and dying trees.

OAL approves this emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code.

This emergency regulatory action is effective on 4/12/2016 and will expire on 7/12/2016. The Certificate of Compliance for this action is due no later than 7/11/2016.

Date: April 6, 2016

Beverly J. Johnson
Deputy Director

For: Debra M. Cornez
Director

Board of Forestry and Fire Protection

“Drought Mortality Amendments, 2015”

Title 14 of the California Code of Regulations (14 CCR):

Division 1.5, Chapter 4, Subchapter 7,

Article 2 – Timber Harvesting Plan

Amend:

§ 1038. Exemption.

Persons who conduct the following types of timber operations are exempt from the plan preparation and submission requirements (PRC § 4581) and from the completion report and stocking report requirements (PRC §§ 4585 and 4587) of the Act with the following exceptions and requirements:

(i) no tree that existed before 1800 A.D. and is greater than sixty (60) inches in diameter at stump height for Sierra or Coastal Redwoods, and forty-eight (48) inches in diameter at stump height for all other tree species shall be harvested unless done so under the conditions or criteria set forth in subsection 1038(h).

(ii) all timber operations conducted in the Lake Tahoe Region pursuant to 14 CCR § 1038 must have a valid Tahoe Basin Tree Removal Permit (as defined by the Tahoe Regional Planning Agency) or shall be conducted under a valid TRPA Memorandum of Understanding (MOU), when such a permit is required by TRPA.

***** (k) Harvesting dead or dying trees in response to drought related stress of any size, fuelwood or split products. The provisions of this exemption supersede the provisions of any other exemptions that are in the same harvest area footprint. In

1 addition to compliance with 14 CCR § 1038.1, and the limitations listed in 1038(b)(1)-
2 (10), the following apply:

3 (1) The exemption shall include the requirements of 14 CCR § 1038.2(a)-(c),
4 total acreage of the exemption harvest area (as defined in 14 CCR § 895.1), and an
5 enlarged 7½ minute quadrangle map or its equivalent that is not less than one (1) inch
6 equals 1,000 feet showing the location of the harvest area. For projects that require a
7 Registered Professional Forester (RPF), pursuant to 14 CCR § 1038(k)(7), the location
8 of timber operations and watercourses, including watercourse classification, shall also
9 be shown on this map.

10 (2) The exemption shall include a signature of the landowner certifying that they
11 are the landowner.

12 (3) Trees eligible for removal shall meet one or more of the following conditions:

13 (A) Trees that are dead, or,

14 (B) Trees with fifty (50%) percent or more of the foliage-bearing crown
15 that is dead or fading in color from a normal green to yellow, sorrel, or brown, excluding
16 normal autumn coloration changes, or with evidence of successful bark beetle attacks,
17 through indications of dead cambium and brood development distributed around the
18 circumference of the bole, or;

19 (C) The RPF, in writing, in the Notice of Exemption, certifies the following:

20 1. Trees designated by an RPF as likely to die due to drought
21 related stress, within one year, or,

22 2. Trees marked in accordance with 14 CCR § 1038(b)(9), or,

23 3. Trees marked by an RPF in accordance 14 CCR § 1038(h).

24 (4) Retain an average for the harvest area of not less than one (1) decadent and
25 deformed tree of value to wildlife (as defined in 14 CCR § 895.1) , snag, or dying tree

1 per acre that is greater than sixteen (16) inches DBH (diameter breast height) and
2 twenty (20) feet tall. This provision does not apply within one hundred (100) feet of
3 habitable structures, roads, fire suppression ridges, and infrastructure facilities such as
4 transmission lines and towers, or water conveyance and storage facilities.

5 (5) The exemption shall include the tentative commencement date of timber
6 operations on the notice required in 14 CCR § 1038.2. Within a 15 day period before
7 beginning timber operations, the timber operator shall notify the Department of the
8 actual commencement date for the start of operations.

9 (6) Operations pursuant to this exemption may not commence for five (5)
10 working days from the date of the Director's receipt of the Notice of Exemption unless
11 this delay is waived by the Director, after consultation with other state agencies. The
12 Director shall determine whether the Notice of Exemption is complete, and if so, shall
13 send a copy of a notice of acceptance to the submitter. If the Notice of Exemption is not
14 complete and accurate, it shall be returned to the submitter and the timber operator may
15 not proceed. If the Director does not act within five days of receipt of the Notice of
16 Exemption, timber operations may commence.

17 (7) The exemption shall be submitted by an RPF, and include the following,
18 when timber operations on a cumulative harvest area exceeds twenty (20) acres per
19 total contiguous ownership.

20 (A) Name, address, telephone and license number of the RPF that
21 prepared and submitted the Notice of Exemption.

22 (B) RPF certification that no conditions were identified where operations,
23 conducted in compliance with the rules of the Board, would reasonably result in
24 significant adverse effects.

25 (8) The Department shall monitor and report on the statewide use of the

1 exemption, allowed under 14 CCR § 1038(k), including the number of harvest area
2 acres, the areas of application and the degree of compliance. The Department shall,
3 within 180 days of the date that these emergency regulations are filed with the
4 Secretary of State, report its findings, to the Board.
